and use of the public for irrigation, mining, and manufacturing purposes subject to existing rights. Said declaration shall describe particularly said one-half section of land if surveyed, and, if unsurveyed, shall describe the same as nearly as possible without a survey. At any time within the period of three years after filing said declaration, upon making satisfactory proof to the officer designated by the Secretary of the Interior of the reclamation of said tract of land in the manner aforesaid, and upon the payment to such officer of the additional sum of \$1 per acre for a tract of land not exceeding three hundred and twenty acres to any one person, a patent for the same shall be issued to him. Except as provided in section 3 of the Act of June 16, 1955, as amended, no person may make more than one entry under sections 321 to 323, 325, and 327 to 329 of this title. However, in that entry one or more tracts may be included, and the tracts so entered need not be contiguous. The aggregate acreage of desert land which may be entered by any one person under this section shall not exceed three hundred and twenty acres, and all the tracts entered by one person shall be sufficiently close to each other to be managed satisfactorily as an economic unit, as determined under rules and regulations issued by the Secretary of the Interior.

## REFERENCES IN TEXT

Section 3 of the Act of June 16, 1955, referred to in text, is section 3 of act June 16, 1955, ch. 145, 69 Stat. 138, as amended, which is set out as an Additional Desert-Land Entry note under section 83 of Title 30, Mineral Lands and Mining.

## CODIFICATION

The original text provided for the sale of 640 acres. The aggregate quantity which any person could acquire under all the land laws was limited, however, to 320 acres by act Aug. 30, 1890 (set out as section 212 of this title) except in the case of mineral lands.

## AMENDMENTS

1958—Pub. L. 85-641 permitted entry on one or more tracts, not contiguous, but sufficiently close to each other to be managed satisfactorily as an economic unit.

## TRANSFER OF FUNCTIONS

For transfer of functions of other officers, employees, and agencies of Department of the Interior, with certain exceptions, to Secretary of the Interior, with power to delegate, see Reorg. Plan No. 3 of 1950, §§1, 2, eff. May 24, 1950, 15 F.R. 3174, 64 Stat. 1262, set out under section 1451 of this title.

"Officer designated by the Secretary of the Interior" and "such officer" substituted for "register" on authority of section 403 of Reorg. Plan No. 3 of 1946, which abolished all registers of district land offices and transferred functions of district land offices to Secretary of the Interior. See section 403 of Reorg. Plan No. 3 of 1946, set out as a note under section 1 of this title.

Previously, references to register and receiver changed to register by acts Mar. 3, 1925 and Oct. 28, 1921, which consolidated offices of register and receiver and provided for a single officer to be known as register.
